Yoon Doo-joon to make Let's Eat and Bring It On, Ghost worlds collide

by girlfriday | August 22, 2016 | 57 Comments

Yes, finally! The PD of tvN's current Monday-Tuesday drama Bring In On, Ghost has been bringing practically all of the major cast members of his previous drama franchise — Let's Eat Seasons 1 and 2 — to the set for fun cameos, and I'd been wondering if Yoon Doo-joon (Spish... [More »](#)

Here are allllllll of your Moon Lovers

by javabeans | August 24, 2016 | 160 Comments

Moon Lovers: Scarlet Heart: Goryeo is just about ready to launch, which means in less than a week we're really looking at Mondays to become Moon-days, what with this drama on SBS and its competitor over on KBS, Moonlight Drawn By Clouds. Which, I guess, isn't such a random observation... [More »](#)

OCN develops new crime drama The Voice

by tineybeanie | August 23, 2016 | 46 Comments

Anyone suffering from Police Unit 38 withdrawal symptoms? I know I've been missing my weekly dose of the comedic con artist tax squad. Not to fear! OCN has recently announced its plans to launch another crime drama to fill the lovable Ma Dong-seok-shaped empty space in our hearts and our... [More »](#)

Team Dramabeans: What we're watching

by DB Staff | August 27, 2016 | 174 Comments

New shows! I love it when a brand new crop of shows changes the way your week goes, because all of a sudden your Mondays could seem a little brighter, simply because of a cheeky crown prince and his crossdressing eunuch. I enjoy discovering a new show so much that I'm almost never sad about seeing a drama end, even if I loved it. I guess I'm always just too curious about what new love could be around the bend. -girlfriday
